

Your One-Stop-Shop for all gemstone needs

Diamonds | Emerald | Ruby | Sapphire | Semi-Precious

About Us

Our vision is to *'Make this world more sparkling and vibrant with colors.'*

Serving clients since 1970's, **KGE Group** was founded in **1986**. Since then, we have diversified to **6 locations** and over tens of employees and hundreds of clients; to the point where we can service our clients all **around the world**. Our international offices like **Hong Kong** and **Italy** help us make the world truly local and **serve customers** in every corner.

We understand that the needs of every client is different, so we customize our services based on the needs of your business.

We exist to help your business run smoother!

Our Global Network

Diamonds: Forever - For everyone

Pointers | Star | Melle

Sourcing Diamonds directly from **Manufacturers**, we are successfully supplying
Quality Diamonds at **reasonable prices** around the world.

With the latest **testing machines**, we are able to supply our customers with only
100% Natural Diamonds.

Natural Color Diamonds

Perfectly Graded and sorted Diamonds for your convenience.
Needs of every business is different; customize your collection with our finest diamonds!
